A red rectangular sign with a white border is suspended from a glass door by a silver metal chain. The sign is attached to the door at the top by a clear suction cup. The text on the sign is white. The word "Closed" is written in a cursive font, while "due to" is in a simple sans-serif font, and "CORONAVIRUS" is in a large, bold, all-caps sans-serif font. The background is a blurred view through the glass door, showing an interior space with a wooden floor and some furniture.

Her eyes are light blue, and her lips are slightly pursed together. She is wearing a dark blue or black top and a thin necklace. The background is a plain, light-colored wall.
